

# Spelling: Grades 1-3

**Adelaide**

**Wednesday 1<sup>st</sup> November 2017**

**4pm-7:30pm**

***Let's make our children life-long spellers NOT list bound spellers.***

Teachers will re-evaluate the way spelling is taught in their classrooms. Spelling strategies will be explored so that children can be empowered in the spelling component of their writing.

The workshop:

- explores the importance of explicitly teaching spelling strategies instead of focusing on weekly spelling lists;
- shows how we can promote the transfer of spelling to children's own writing;
- outlines classroom strategies to assist different ability levels in the spelling lessons;
- provides teachers with hands-on activities to take back to their classrooms;

This workshop is aimed at Grade 1, 2 and 3 classroom teachers, support teachers and teacher aides.
