

# Writing- The Role of Phonics and Grammar

**Brisbane**

**Thursday 26<sup>th</sup> October 2017**

**4pm-7:30pm**

Writing is a complex and challenging activity for many students. In order for students to become effective writers they need guidance in sentence formation, variety, usage and punctuation.

- In this workshop teachers will gain an understanding of best practice when teaching writing in the early years.
- The writing process will be explored, which provides students with a systematic process for writing.
- The relevance of explicit phonics and grammar instruction will be highlighted together with strategies to assist students in connecting the phonics and grammatical knowledge to their writing.
- Teachers will gain hands-on, practical activities to explicitly teach grammar and how these can be incorporated into context of children's writing.
- Strategies to promote self-editing amongst students will be explored.

This workshop is aimed at Foundation Year, Grade 1 and Grade 2 classroom teachers, support teachers and teacher aides.

## **Your Presenter Santina DiMauro**

Santina has been a NSW teacher for over 30 years and has taught in both state and independent schools. Santina has spent the last 10 years working as a literacy consultant to various schools around Australia, as well as working as an Intervention teacher using the L3 program and Jolly Phonics at a school in Sydney.

Santina has been a Jolly Phonics trainer for 20 years and has trained teachers in the UK, Asia, Lebanon and Australia. She continues to train throughout Australia and Asia.
