

Jolly Phonics

Phonics- An Introduction Cairns

Tuesday 25th July 2017

At this workshop, teachers will gain theoretical knowledge as well as hands-on, practical activities which can be used to teach phonics in a fun and interactive way.

This full day course aims to provide teachers with:

- an appreciation of what Synthetic Phonics really is;
- the 5 skills of the Jolly Phonics program and how to implement them with practical activities;
- how to incorporate Jolly Phonics into a literacy block;
- how to use Synthetic Phonics in reading and writing;
- a look at Jolly Phonics resources, including the assessment tool.

This course is aimed at Foundation Year and Grade 1 classroom teachers, support teachers and teacher aides.

Please note that this workshop does not include the program components of spelling and grammar.

Your Presenter Santina DiMauro

Santina is a world renowned international Jolly Phonics speaker and an experienced teacher who has taught in both state and private Catholic schools in Australia. Santina, more recently, has been an interventionist at a Sydney public school working with targeted students.
