

Phonics- An Introduction Townsville Monday 19th November 2018

At this workshop teachers will explore Jolly Phonics as an example of a phonics program that meets the new National Curriculum Standards.

This full day course aims to provide teachers with:

- an appreciation of what Synthetic Phonics really is;
- the 5 skills of the Jolly Phonics program and how to implement them with practical activities;
- how to incorporate Jolly Phonics into a literacy block;
- how to use Synthetic Phonics in reading and writing;
- a look at Jolly Phonics resources, including the assessment tool.

Teachers will gain hands-on, practical activities which can be used to teach phonics in a fun and interactive way.

This course is aimed at Foundation Year and Grade 1 classroom teachers, support teachers and teacher aides.

Please note that this workshop does not include the program components of spelling and grammar (Jolly Grammar).

Your Presenter Santina DiMauro

Santina has been a NSW teacher for over 30 years and has taught in both state and independent schools. Santina has spent the last 10 years working as a literacy consultant to various schools around Australia, as well as working as an Intervention teacher using the L3 program and Jolly Phonics at a school in Sydney.

Santina has been a Jolly Phonics trainer for 20 years and has trained teachers in the UK, Asia, Lebanon and Australia. She continues to train throughout Australia and Asia.
